WWSF Call to Action to help advance the SDG Agenda 2030 *Transforming our world*

19 Days Activism for prevention of Violence & Abuse against children & youth 1-19 Nov. 2018

We take this opportunity to **remind** our network partners and coalition members of **our annual 19 Days Action Kit and Call to Action**, published online, to help catalyse and increase local and national activities by the world community **to rise and end violence against children and youth**, with 19 themes to chose from, including ideas for youth action and faith-based leaders.

Our Call to Action 2018 reminds us that **Compassion is Key** for our world seeking to end violence and abuse against children. We invite you to create community Circles of compassion where you can share and discuss the many proposals for prevention of abuse mentioned in our 19 Days Kit and chose loving acts of service that transform your community - nothing less will do the job. We look forward to receiving your programs, which we share on our website and on a google map. The children are waiting for our contributions and the UN needs our compassionate participation to reach the SDG 2030 Agenda Target #16.2 - transforming our world.
