The 30th Anniversary in 2019 of the Convention on the Rights of the Child

Dear Friends and Partners,

We are happy to present to you the 9th edition of the WWSF "19 Days of activism for prevention of violence against children and youth 1-19 November".

Please remember that the Prevention Kit is **central for your campaign activities**. For this reason we stress that you familiarize yourself with the revised information contained in the 2019 Kit, including additional information about ideas for action addressing faith-based leaders and what youth can do around the world.

You are free to choose and develop your own action plan and events, be it at a local, national or international level. Please note that you remain completely free to focus your campaign on the theme(s) of your choice. All we ask is to serve your community! Chose a theme and create change ! Use the Kit and move others into action with you! You are the key to creating the world we want, a world fit for children and youth.

This year, we invite you to mark **three particular days**:

- 1) **19 November - "World Day for prevention of child abuse"**, to mobilize your community about better prevention and protection measures
- 2) **20 November - "Universal Children's Rights Day » . 30th Anniversary of the Convention on the Rights of the Child - See Report from Child Rights Connect " A second Revolution: Thirty years of child rights, and the unfinished agenda" link. <https://child-rights-now.org>**

We look forward to your [registrations online](#) and will stay connected on a daily basis during the 19 Days campaign via LinkedIn, Facebook, Twitter and Instagram. Once you have registered your program and action plan, we will make available to you our Media Pack.
